

Good story brightens day

PHOTO BY DANNY SNYDER

There's nothing like a good story to make the day better. Kayla Andrick joins the other 4-5 year-olds at Sunbeam Child Care Center to hear West Virginia First Lady Sandy Wise read "Annie's Perfect Pet." Wise visited the center Wednesday to promote the state program "Learn to Love," which encourages parents and caregivers to read, sing and talk to their children. Story is on Page 3A.
