

## Sunbeam students get color lesson

PHOTO BY DANNY SNYDER

The students at Sunbeam Childcare Center got a lesson in colors Thursday — gold and blue, that is. To celebrate the West Virginia-Louisville football game, about 45 students and teachers dressed in the Mountaineers' signature colors, sang "Country Roads" and talked about going to college. Above, the students and teachers pose with a life-size cardboard cutout of WVU head coach Rich Rodriguez.
